CRUISE ACTIVITIES

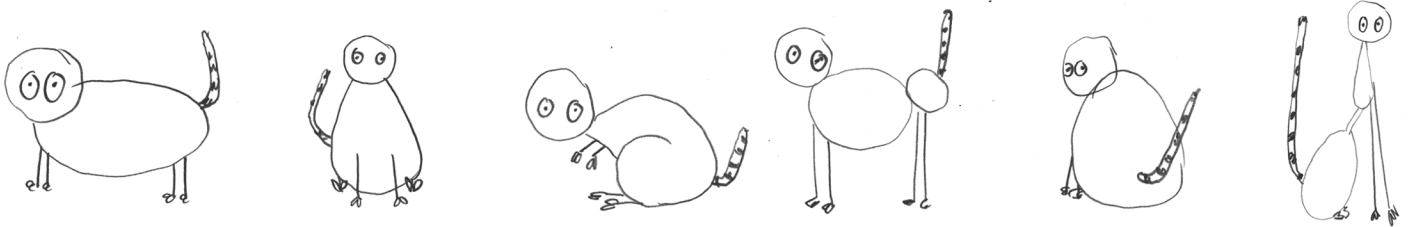

FRANKENWEENIE PORTRAITS

Below is a breakdown of choices I found repeated in Tim Burton's drawings of animals. Remember, we're not trying to draw a photo-realistic interpretation of our portraits, but a portrait inspired by the style of Tim Burton. So, if your cat sprouts rabbit ears or your dog has bat wings - it's not wrong, it's fabulously within the style!

HEAD SHAPES

BODY SHAPES

EYES

EARS

NOSES + MOUTHS
