ADD A FEW MORE DESIGNS?

Ali from @alibrownie  
Adele from @inkiequill  
Brie from @documented.journey  
Job from @jobsjournal

All the designers are creating a different product and all I'll say is that I am blown away with their work. I am still busy coordinating the information for the pre-sale and production, be sure to keep your eyes peeled on social media towards the end of the month if you're wanting to get your hands on the first Creator Box!

# COFFEE

not-a-morning-person man. It's truly magical the transformation I go through after a good cup of coffee. I'm not even fussy about it; instant or genetically modified exotic bean, I'll drink it. I've moved past the *Venti Iced Caramel Macchiato w/ Coconut Milk* phase and into my *Nitro Cold Brew w/ Cascara Cold Foam* phase. I just re-read that out loud and yes I know how crazy I sound right now. In any case, I created this "morning cup of magic" journal page to capture my feelings about my morning coffee and she is yours for the cutting if you wish!

# THE “TEST” PART

products means that sometimes you have to say goodbye to thousands of dollars and patiently wait a month for products to turn up, praying they're ready to sell (and will sell) straight away. It's always a bit risky but I have learned to be a good steward of my finances — thanks to my perpetually budgeting mum. This year Play2est has been more successful in 2 months than it was in all 3 of last year, allowing me to introduce (and write off) new manufacturing partners and once again diversify my product offerings.
