

buns are just circles

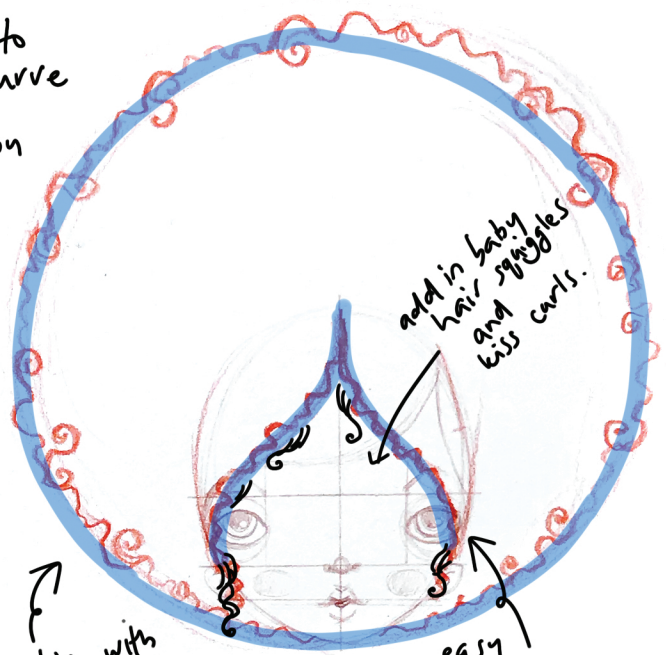

*remember to switch curve direction after you pass half way.

Sweeping "S" curves give a more natural feel.

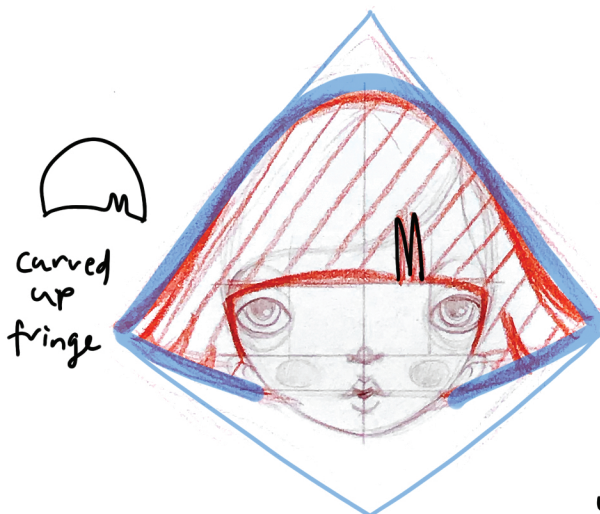

taper in at ear

swoop around the eye.

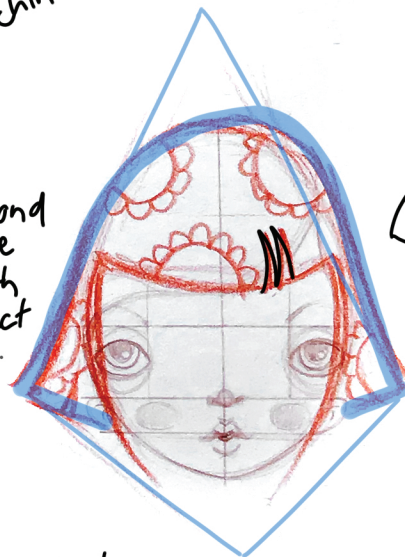

go big with your fro, make sure to add volume on TOP of the head, not BELOW the chin.

easy middle part, sweeping "S" curves, taper behind the ears.

curved up fringe

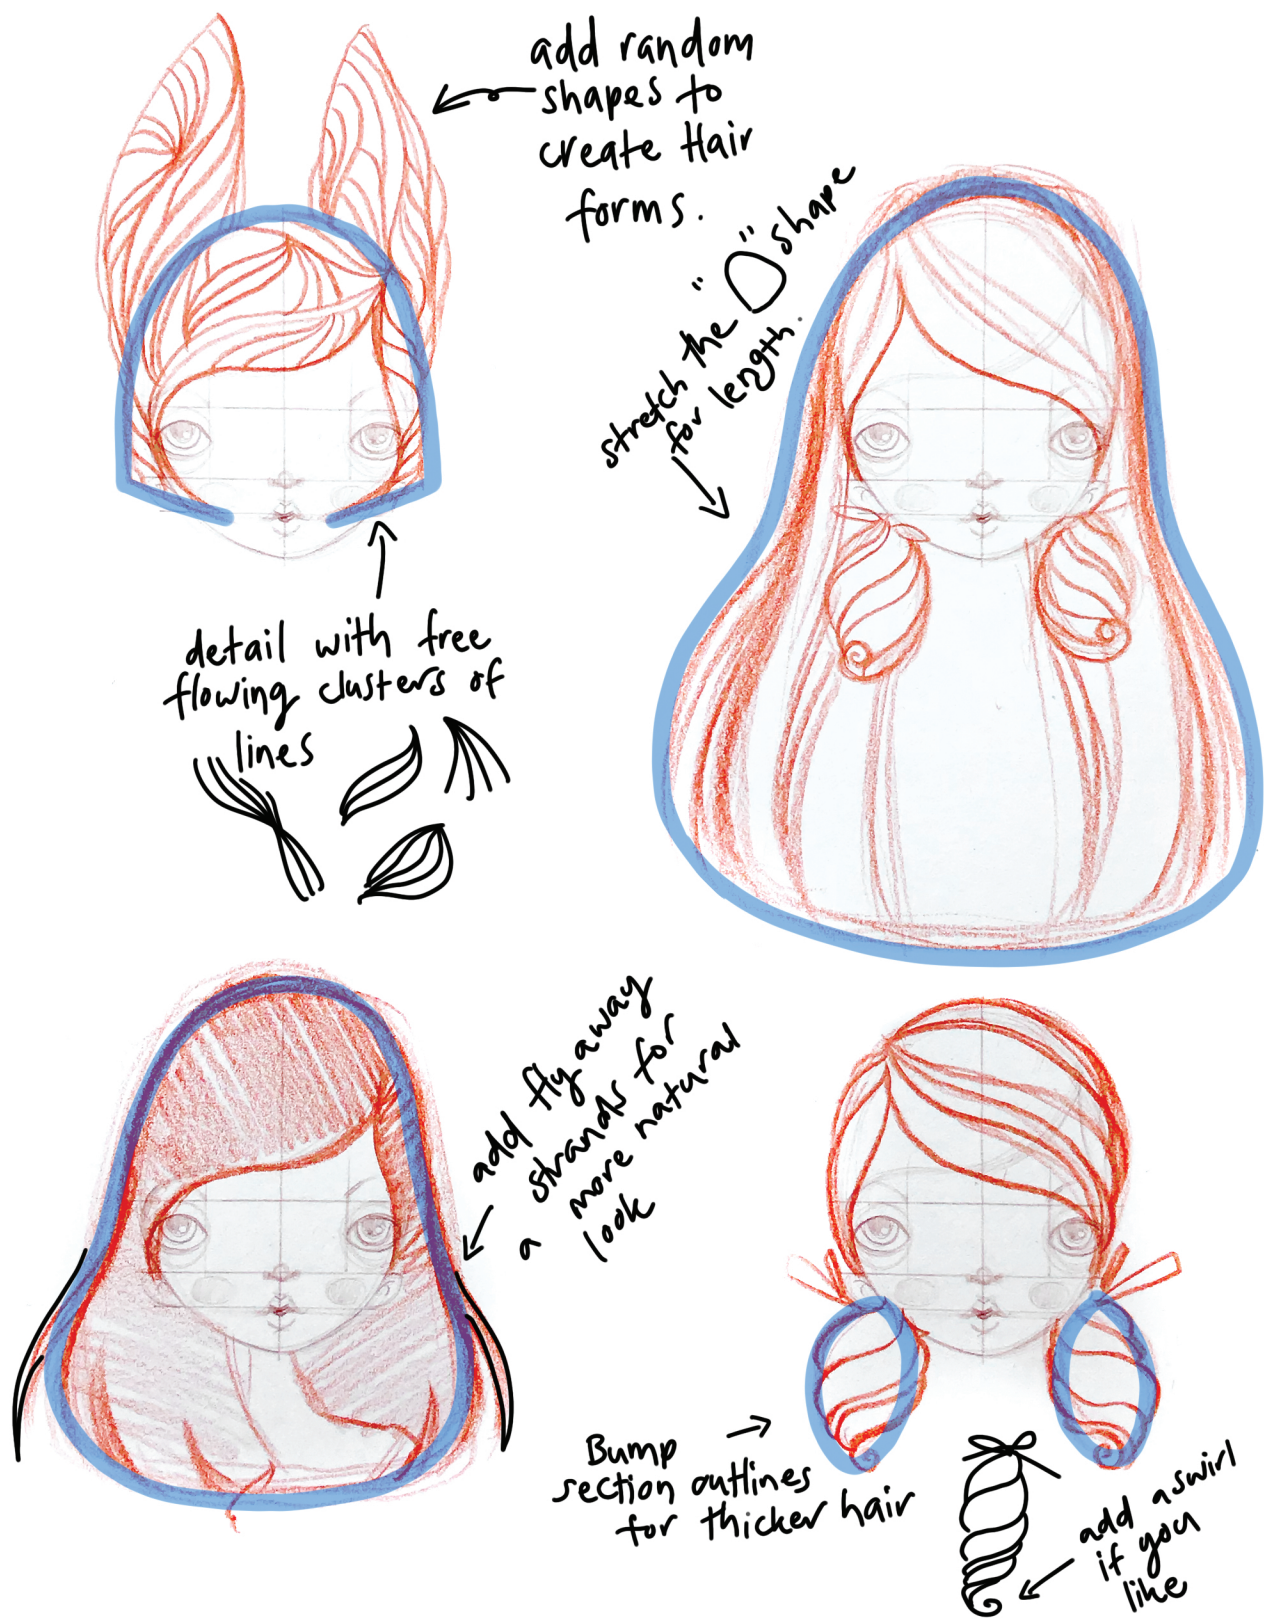

diamond guide width will affect the look.

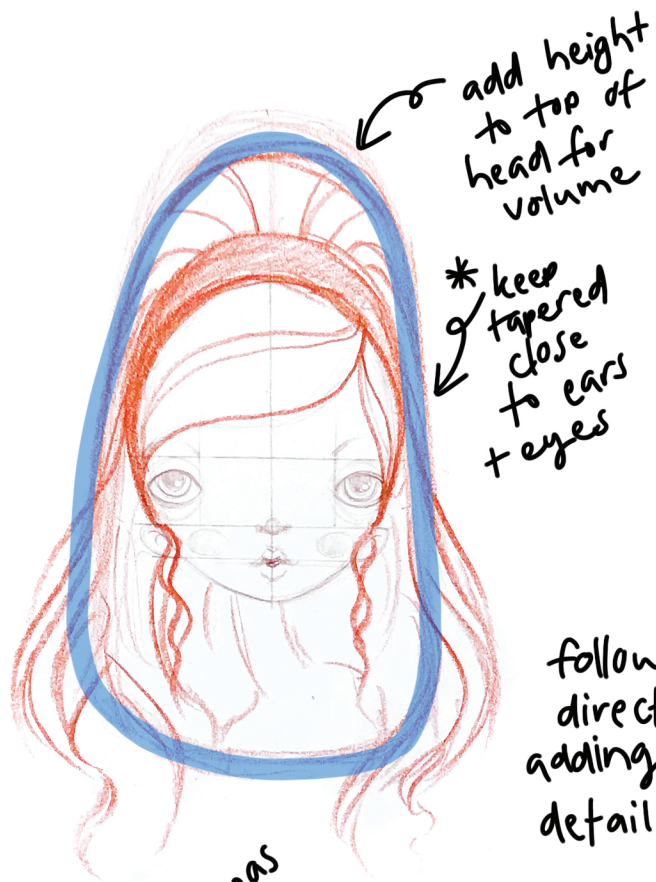

curved down fringe

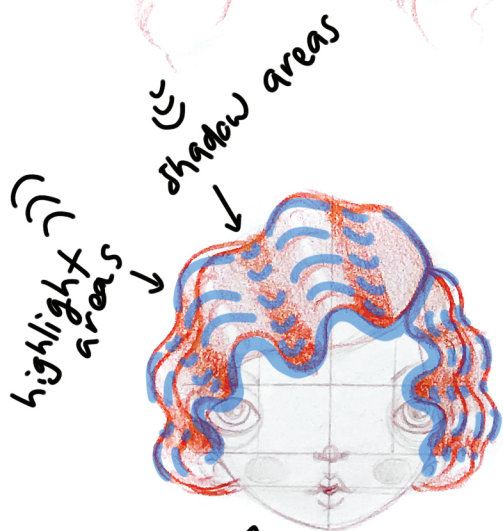

TIP: ADD "BREAKS" to bangs to make them look like hair.

[M] [M] ← "M" shape

Ponytail is just a BIG "S" shape.

"wave" along hairline, then draw in your "wifi" guides to find the shape of the hair.
