OK, so it's a tea-POT not a tea-CUP, I just struggled to find a better rhyme for the title of the activity! You could actually do this with a teacup too, or a whole tea set if you'd like.

Using the grayed out template, build a teapot themed to a character or scene from Lewis Carroll's *Alice's Adventures in Wonderland*. Re-draw your design into your art journal or complete on the page, cut out and glue in. If you're feeling like you want a break from drawing, try collaging magazine clippings/stickers and washi tape onto your teapot. See the following PDF for 3 references I prepared with this template earlier.
