

*“I am not crazy; my reality
is just different from yours.”*

Why is a raven like a writing-desk?

"If I had a
world of my
own,
everything
would be
nonsense."

"Curiouser & curiouser!"

*“Would you like an adventure now
or shall we have our tea first?”*

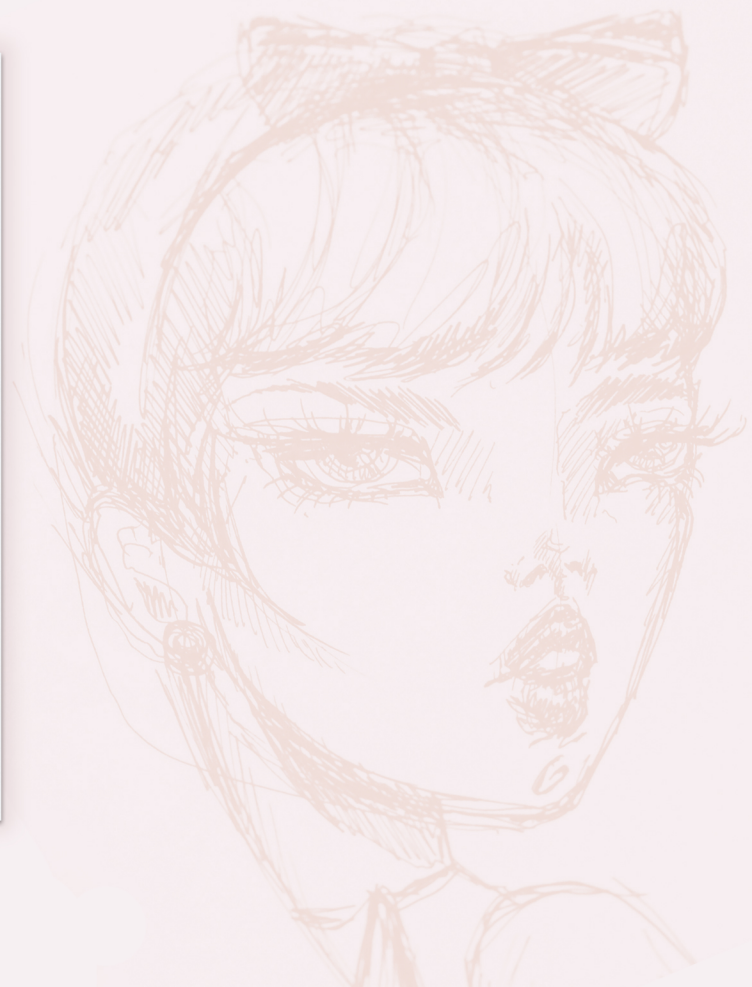

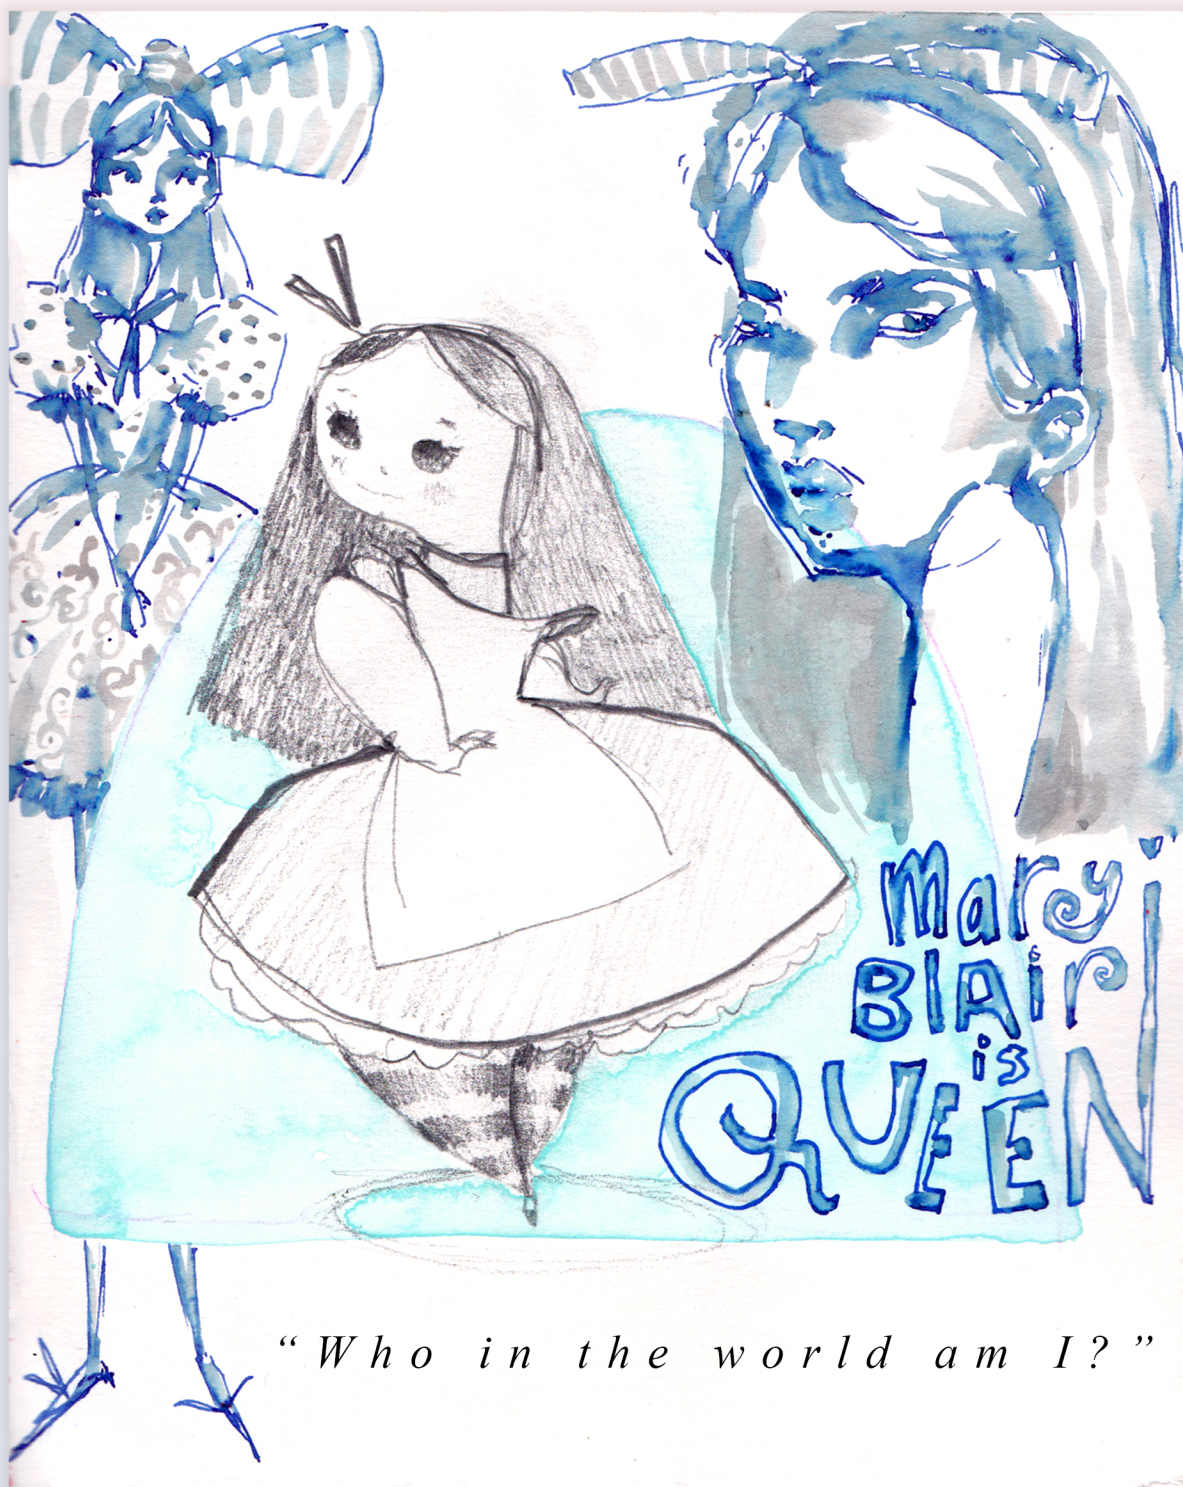

"It's always tea time"

“I’m late, I’m late, I’m late!”

"Who in the world am I?"

"You can learn a lot of things from the flowers..."

"We're all MAD here!"

*"Where the lazy daisies
love the very peaceful
life they lead..."*

*“Three inches is such
a wretched height.”*

*“ ‘Have I gone mad?’
‘I am afraid so,
you are entirely bonkers.
But I will tell you a secret...
all the best people are.’ ”*
