

POOLSIDE ACTIVITIES OVER THE RAINBOW OZ THE GREAT AND QUOTABLE

I'm not the first to put my hand up when it comes to brush lettering, but from time to time I will try illustrating my letters. I start with a stencil to template my word and then illustrate my theming over the top. Using the step-by-step photo examples in the blog, complete this page to learn a few different techniques to illustrate your quotes. As always, if inspiration strikes, go with your Creative Frenzy! POOLSIDE ACTIVITIES

OVER THE RAINBOW

OZ THE GREAT AND QUOTABLE

Here are some wonderful lines from the movie to reference for your illustrated quotes.

DOROTHY

There is no place like home.

It's far, far away... behind the moon... beyond the rain

There's a land that I heard of once in a lullaby.

And the dreams that you dare to dream really do come true.

Somewhere over the rainbow.

If happy little bluebirds fly beyond the rainbow. Why, oh why, can't I?

If I ever go looking for my heart's desire again, I won't look any further than my own backyard. Because if isn't there, I never really lost it to begin with! Is that right?

Can you even dye my eyes to match my gown?

Toto, I've a feeling we're not in Kansas anymore.
[after a pause]
We must be over the rainbow!

I think I'll miss you most of all.

My! People come and go so quickly here!

SCARECROW

But some people without brains do an awful lot of talking, don't they?

The sum of the square roots of any two sides of an isosceles triangle is equal to the square root of the remaining side. Oh joy! Rapture! I got a brain! How can I ever thank you enough?

Of course, some people do go both ways.

TIN MAN

Now I know I've got a heart, 'cause it's breaking...

LION

I haven't any courage at all! I even scare myself!

Put 'em up! Put 'em up!

GLINDA

You've always had the power my dear, you just had to learn it for yourself.

Keep tight inside them. Their magic must be very powerful, or she wouldn't want them so badly.

Rubbish, you have no power here! Be gone, before someone drops a house on you too!

Only bad witches are ugly.

WIZARD

The true courage is in facing danger when you are afraid, and that kind of courage you have in plenty.

You clinking, clanking, clattering collection of caliginous junk!

Pay no attention to the man behind the curtain!

WICKED WITCH

I'll get you, my pretty, and your little dog too!

I'm melting! Melting! Oh, what a world! What a world!

AUNT EM

Almira Gulch, just because you own half the county doesn't mean that you have the power to run the rest of us. For twenty-three years, I've been dying to tell you what I thought of you! And now... well, being a Christian woman, I can't say it!

UNCLE HENRY

You mean she bit you? Oh. She bit her dog, eh?
